With reference to para 3 of office-
note it is submitted that the deputation
of these students for a period of one year
was sanctioned in G.O. No 1824-6 Dated
17th Feb 1915.

In accordance with the above order
the students ought to have left for Calcutta

was postponed on further information having
been received, the students appeared before the
District Superintendent on the 19th March 1915
and received their travelling and scholarship for
one month in advance. They left Bangalore
on the same day and reached Calcutta on the
24th March 1915 under these circumstances
the period of their deputation will run till about
19th March 1916 and will not cease by the end of
